CATEGORIES OF DATA PROCESSED

Navigation Data

The information systems and software procedures related to the web site functioning acquire personal data as part of their standard operation, and the transmission of such data is an inherent feature of Internet communication protocols.

Such information is not collected in order to be related to identified data subjects, however it might allow users identification after being processed and matched with data held by third parties.

This data category includes IP addresses and/or the domain names of the computers used by any user connecting with this web site, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of such requests, the method used for submitting a given request to the server, returned file size, a numerical code relating to server response status (successfully performed, error, etc.), and other parameters related to the user's operating system and computer environment.

These data are used only to the extent of:

- obtain anonymous statistical information on the site use;
- check the site correct functioning;
- carry out monitoring activities to support service safety.

Data might be retained and used to establish liability in case computer crimes are committed against Mediobanca – Banca di Credito Finanziario S.p.A. site, except for this circumstance, any data on web contacts is currently retained for no longer than the time necessary to achieve the purposes it is processed for.

Data voluntarily provided by users

When personal data are provided on this site on the basis of a freely, explicit and voluntary option they are subsequently acquired for the provision of the required service. Specific information inspired by the principles of Privacy Regulation will be shown and displayed on the site pages that are used for providing on demand services.

Cookies

Cookies are small text files sent on the user's electronic device (PC, tablet, etc.) during browsing. Cookies are then sent back to the originator web site during any future browsing, or are sent back to a different site able to detect the specific cookie.

Cookies act as the memory of a web site, allowing the site to recognize your device during any future visit to the same site.

Moreover, cookies allow to save your browsing preferences with the aim of offering a more functional use of the site, making its contents as personalized as possible.

For the abovementioned reasons, also Mediobanca's Web server, during browsing its site, might use cookies with users systems through the use of first or third part cookies.

Each user, in preference, might in any case set its browser in order to receive an alert regarding the presence of a cookie and decide whether accept it or not. It is also possible to refuse receiving a cookie automatically by turning on the specific browsing option: a lack of use of cookies, however, might give rise to difficulties during the interaction with the Bank site.

More information on cookies, their management and removal may be found by following the link to the extended regulation on cookies provided by Mediobanca

(<https://www.mediobanca.com/it/cookies.html>), or following the link: www.allaboutcookies.org.

Optional Personal Data provision

Subject to the specifications made with regard to navigation data, users are free to provide the personal data in the electronic application forms, or in the web site sections prepared for specific on demand services, for sending newsletters, informational material or other communications. It is clarified that failure in providing data may results in the inability to satisfy the user's request.

Processing arrangements

Personal data are processed with automated means and not for no longer than is necessary to achieve the purposes for which it has been collected.

Specific security measures are implemented to prevent the data from being lost , used unlawfully or inappropriately and accessed without authorization.

Data Subjects' Rights

Data subjects' are entitled at any time to obtain confirmation of the existence or not of personal data concerning them and be informed on their content and origin, verify their accuracy or ask that such data are supplemented, updated or corrected (articles 15 and 16 od GDPR).

MEDIOBANCA

Moreover, data subjects are entitled to request erasure, processing limit, consent withdrawal, data portability as well as to claim to the supervisory authority and to object in all cases, on legitimate grounds, to data processing (art. 17 et seq. of GDPR).

Those rights may be exercised through a written communication sent to:

privacy@mediobanca.com.

The Controller, including via authorized structures, will take charge of the user's request and provide, without undue delay, the information related to the actions taken with regard to their request.
